# CITY OF DESTINY

Visakhapatnam is one of the fast growing cities in India. Because of its geographical location it has a potential to grow in multiple dimensions, such as industrially, culturally and educationally. The city is well connected nationally and internationally through Airport, Seaport and other means of surface transport. Visakhapatnam is one of the biggest tourist's centres of Andhra Pradesh. As it is also well known for its tranquil and peaceful atmosphere, it is considered to be an ideal place to stay. The city is home for several state owned Heavy industries and has one of the country's largest ports. It is having a distinction of having one of the oldest shipyards in India. It is the only Natural harbour on the Eastern coast of India. To mark its presence in the software and BPO sector, this city has about 50 small and medium software and call centre units. The newly built airport terminal is capable of handling international flights and night landing.
