Low investmentsHigh returns...

City of Destiny

Visakhapatnam has become a fast growing city in Asia. It is also another biggest Business and Educational centre having multi transport system to the nooks and corners of the world. Vizag is one of the biggest tourist's centres of Andhra Pradesh. It is also well known as calm and peaceful residential city to the world. The city is home to several state owned Heavy industries and has one of the country's largest ports and its oldest shipyard. It has the only Natural harbour on the Eastern coast of India. Vizag city has about 50 small and medium software and call centre units.

The State Government is proposing the Vizag Airport into an International Airport by modifying the facilities accordingly. It has recently received permission to operate night flights, and it is in the process of constructing a new runway of 10,000 feet long to accommodate International Flights and larger aircrafts.
